

First Of May

The Bee Gees

DGDA

D F#m
When I was small, and Christmas trees were tall,

G D A
We used to love while others used to play.

D F#m
Don't ask me why, but time has passed us by,

G D A
Someone else moved in from far away.

G D
Now we are tall, and Christmas trees are small,

Em D D7
And you don't ask the time of day.

G D
But you and I, our love will never die,

Em G D A
But guess we'll cry come first of may.

D

F#m

The apple tree that grew for you and me,

G D A

I watched the apples falling one by one.

D F#m

And I recall the moment of them all,

G D A

The day I kissed your cheek and you were mine.

G D

Now we are tall, and Christmas trees are small,

Em D D7

And you don't ask the time of day.

G D

But you and I, our love will never die,

Em G D

But guess we'll cry come first of may.

D F#m

When I was small, and Christmas trees were tall,

G D A

Do do do do do do do do...

D F#m

Don't ask me why, but time has passed us by,

G D A

Some one else moved in from far away.

Birds on a wire

Fairport Convention (Leonard Cohen)

Capo IV

D A D G D A D

Like a bird on a wire

Like a drunk in a midnight choir

I have tried in my way

To be free

Like a worm on a hook

Like a knight from some old-fashioned book

I have saved all my ribbons

For thee

If I have been unkind

I hope you will just let it go by

And if I have been untrue

I hope you know it was not unto you

Like a baby stillborn

Like a beast with it's horns

I have torn every one

And reached out for thee

Let us swear by this song

And by all I have done wrong

That I will make it all

Up to thee

I saw a beggar leaning on his wooden cross

He said to me do not ask for someone?

And a woman standing in her darkened door

She cried to me hey, why not ask for more?

Like a bird on a wire

Like a drunk in a midnight choir

I have tried in my way

To be free

人として

遠くまで見える道で 君の手を握りしめた
手渡す言葉も 何もないけど

思いのままに生きられず
心に石の礫なげて
自分を苦しめた 愚かさに気付く
私は悲しみ繰り返す そうだ人なんだ

人として人と出会い 人として人に迷い
人として人に傷つき 人として人と別れて
それでも人しか 愛せない

夢を語り合えばいつも
言葉はすぐに途切れてしまう
ひざを抱えて うつむくことばかり

鳥のように生きたいと
夕空見上げて佇むけれど
翼は愚かな あこがれと気付く
私は大地に影おとし 歩く人なんだ

Blowin' in the wind

How many roads must a man walk down

Before you call him a man?

How many seas must a white dove sail

Before she sleeps in this sand?

Yes, an' how many times must the cannon balls fly

Before they're forever banned?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wind

How many years can a mountain exist

Before it is washed to the sea?

Yes, an' how many years can some people exist

Before they're allowed to be free?

Yes, an' how many times must a man turn his head

An' pretend that he just doesn't see?

The answer, my friend, it is blowin' in the wind

An' the answer is blowin' in the win

How many times must a man look up

Before he can see the sky?

Yes, an' how many ears must one man have

Before he can hear people cry?

Yes, an' how many deaths will it take until he knows

That too many people have died?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wnd

April come she will
When streams are ripe and swelled with rain;
May, she will stay,
Resting in my arms again

June, she'll change her tune,
In restless walks she'll prowls the night;
July, she will fly
And give no warning to her flight.

August, die she must,
The autumn winds blow chilly and cold;
September I'll remember.

As Tears go by

The Rolling Stones

It is the evening of the day
I sit and watch the children play
Smiling faces I can see
But not for me
I sit and watch
As tears go by

My riches cant buy everything
I want to hear the children sing
All I hear is the sound
Of rain falling on the ground
I sit and watch
As tears go by

It is the evening of the day
I sit and hear the children sing
Doin things I used to do
They think are new
I sit and watch
As tears go by

Bridge over troubled water

When youre weary, feeling small,
When tears are in your eyes, I will dry them all;
Im on your side. when times get rough
And friends just cant be found,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

When youre down and out,
When youre on the street,
When evening falls so hard
I will comfort you.
Ill take your part.
When darkness comes
And pains is all around,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

Simon & Garfunkel

Sail on silvergirl,
Sail on by.
Your time has come to shine.
All your dreams are on their way.
See how they shine.
If you need a friend
Im sailing right behind.
Like a bridge over troubled water
I will ease your mind.
Like a bridge over troubled water
I will ease your mind.

"Harvest"

Neil Young

Did I see you down
in a young girl's town
With your mother in so much pain?
I was almost there
at the top of the stairs
With her screamin' in the rain.

Did she wake you up
to tell you that
It was only a change of plan?
Dream up, dream up,
let me fill your cup
With the promise of a man.

Did I see you walking with the boys
Though it was not hand in hand?
And was some black face
in a lonely place
When you could understand?

Did she wake you up
to tell you that
It was only a change of plan?
Dream up, dream up,
let me fill your cup
With the promise of a man.

Will I see you give
more than I can take?
Will I only harvest some?
As the days fly past
will we lose our grasp
Or fuse it in the sun?

Did she wake you up
to tell you that
It was only a change of plan?
Dream up, dream up,
let me fill your cup
With the promise of a man.

Take It To The Limit

All alone at the end of the of the evening
And the bright lights have faded to blue
I was thinking 'bout a woman who might have
Loved me and I never knew
You know I've always been a dreamer
(spent my life running 'round)
And it's so hard to change
(Can't seem to settle down)
But the dreams I've seen lately
Keep on turning out and burning out
And turning out the same

So put me on a highway
And show me a sign
And take it to the limit one more time

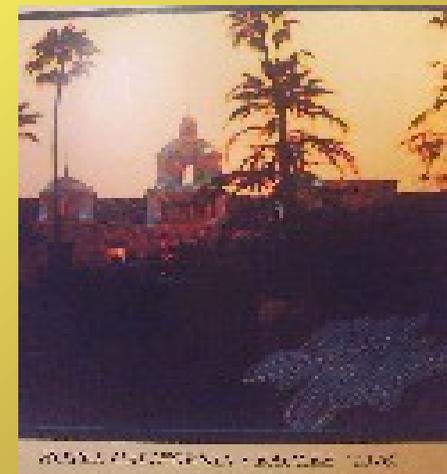

You can spend all your time making money
You can spend all your love making time
If it all fell to pieces tomorrow
Would you still be mine?

Eagles

And when you're looking for your freedom
(Nobody seems to care)
And you can't find the door
(Can't find it anywhere)
When there's nothing to believe in
Still you're coming back, you're running back
You're coming back for more

So put me on a highway
And show me a sign
And take it to the limit one more time

Take it to the limit
Take it to the limit
Take it to the limit one more time

"The Last Resort"

Eagles

She came from Providence,
the one in Rhode Island
Where the old world shadows hang
heavy in the air
She packed her hopes and dreams
like a refugee
Just as her father came across the sea

She heard about a place people were smilin'
They spoke about the red man's way,
and how they loved the land
And they came from everywhere
to the Great Divide
Seeking a place to stand
or a place to hide

Down in the crowded bars,
out for a good time,
Can't wait to tell you all,
what it's like up there
And they called it paradise
I don't know why
Somebody laid the mountains low
while the town got high

Then the chilly winds blew down
Across the desert
through the canyons of the coast, to
the Malibu
Where the pretty people play,
hungry for power
to light their neon way
and give them things to do

Some rich men came and raped the land,
Nobody caught 'em
Put up a bunch of ugly boxes, and Jesus,
people bought 'em
And they called it paradise
The place to be
They watched the hazy sun, sinking in the sea

You can leave it all behind
and sail to Lahaina
just like the missionaries did, so many years ago
They even brought a neon sign: "Jesus is coming"
Brought the white man's burden down
Brought the white man's reign

Who will provide the grand design?
What is yours and what is mine?
'Cause there is no more new frontier
We have got to make it here

We satisfy our endless needs and
justify our bloody deeds,
in the name of destiny and the name
of God

And you can see them there,
On Sunday morning
They stand up and sing about
what it's like up there
They call it paradise
I don't know why
You call someplace paradise,
kiss it goodbye

"Old Man"

Old man look at my life,
I'm a lot like you were.
Old man look at my life,
I'm a lot like you were.

Old man look at my life,
Twenty four
and there's so much more
Live alone in a paradise
That makes me think of two.

Love lost, such a cost,
Give me things
that don't get lost.
Like a coin that won't get tossed
Rolling home to you.

Old man take a look at my life
I'm a lot like you
I need someone to love me
the whole day through
Ah, one look in my eyes
and you can tell that's true.

Neil Young

Lullabies, look in your eyes,
Run around the same old town.
Doesn't mean that much to me
To mean that much to you.

I've been first and last
Look at how the time goes past.
But I'm all alone at last.
Rolling home to you.

Old man take a look at my life
I'm a lot like you
I need someone to love me
the whole day through
Ah, one look in my eyes
and you can tell that's true.

Old man look at my life,
I'm a lot like you were.
Old man look at my life,
I'm a lot like you were.

"Down By The River"

Neil Young

Be on my side,
I'll be on your side,
baby
There is no reason
for you to hide
It's so hard for me
staying here all alone
When you could be
taking me for a ride.

Yeah, she could drag me
over the rainbow,
send me away
Down by the river
I shot my baby
Down by the river,
Dead, oh, shot her dead.

You take my hand,
I'll take your hand
Together we may get away
This much madness
is too much sorrow
It's impossible
to make it today.

Yeah, she could drag me
over the rainbow,
send me away
Down by the river
I shot my baby
Down by the river,
Dead, oh, shot her dead.

Be on my side,
I'll be on your side,
baby
There is no reason
for you to hide
It's so hard for me
staying here all alone
When you could be
taking me for a ride.

Yeah, she could drag me
over the rainbow,
send me away
Down by the river
I shot my baby
Down by the river,
Dead, oh, shot her dead.

"It's A Dream"

Neil Young

In the morning when I wake up and listen to the sound
Of the birds outside on the roof
I try to ignore what the paper says
And I try not to read all the news
And I'll hold you if you had a bad dream
And I hope it never comes true
'Cause you and I been through so many things together
And the sun starts climbing the roof

It's a dream
Only a dream
And it's fading now
Fading away
It's only a dream
Just a memory without anywhere to stay

The Red River stills flows through my home town
Rollin' and tumblin' on its way
Swirling around the old bridge pylons
Where a boy fishes the morning away
His bicycle leans on an oak tree
While the cars rumble over his head
An aeroplane leaves a trail in an empty blue sky
And the young birds call out to be fed

It's a dream
Only a dream
And it's fading now
Fading away
It's only a dream
Just a memory without anywhere to stay

An old man walks along on the sidewalk
Sunglasses and an old Stetson hat
The four winds blow the back of his overcoat away
As he stops with the policeman to chat
And a train rolls out of the station
That was really somethin' in its day
Picking up speed on the straight prairie rails
As it carries the passengers away

It's gone
Only a dream
And it's fading now
Fading away
Only a dream
Just a memory without anywhere to stay

It's a dream
Only a dream
And it's fading now
Fading away
It's only a dream
Just a memory without anywhere to stay

It's a dream
Only a dream
And it's fading now
Fading away

Four strong winds

Think I'll go out to Alberta
Weather's good there in the fall
I got some friends that I could go working for
Still I wish you'd change your mind if I asked you one more time
But we've been through this a hundred times or more

(*Four strong winds that blow lonely
Seven seas that run high
All those things that don't change
Come what may
If the good times are all gone
Then I'm bound for moving on
I'll look for you if I'm ever back this way

If I get there before the snow flies and if things are looking good
You could meet me if I send you down the fare

**But by then it would be winter
Not too much for you to do
And those winds sure can get cold way out there**

(*
The good times are all gone
So I'm bound for moving on
I'll look for you if I'm ever back this way
<Interlude>

Still I wish you'd change your mind
If I asked you one more time
But we've been through that a hundred times or more
(*I'll look for you if I'm ever back this way

Cowboy of dreams

Saw a sign on the highway
I was driving along, way home
On a hilltop is where I belong
I took a look at the hole
Where my head used to be
And I'll sing you a song
That descended on me

The way I live
Determines the way
My people survive
Yes the way I live
Determines the way
My people survive

So I went to the country
To look up a friend
Cause I heard that the house
And the barn had a blend
I took a look at the hole
Where the bird used to be
And I'll sing him a song
Because he sang one for me

Crosby and Nash

The way I live
Determines the way
My people survive
Yes the way I live
Determines the way
My people survive

And the names of the cowboys
Will all blow away
Like the dust off the desert
On a hot windy day
I've tried so hard to tell you
In so many ways
That I'm scared of the heartache and scenes
With the cowboy of dreams

Oh Camil, tell me how do you feel?
You fought for your country
for God and for war,
now your heart tells you that can't be real.
So you tell me your story from beginning to end
all the blood and the guts and the gore
will you tell all the people
'bout the people you killed,
not for God, but for country and war?

Oh! Camil, tell me what did you mother say,
when you left those people out in the fields,
rotting along with the hay?
Did you show her your medals?
Did you show her your guns?
Did you show her the ears that you wore?
Did you show her a picture of the people you killed
not for God, but for country and war?

Oh! Camil, tell me why are you in this place?
When you stood up for justice your country replied
by throwing it back in your face.
When you tell me your story
are you making amends for all of the hatred you saw?
Will you tell all the people about the people that cry out for God
not for country or war?

"Too Far Gone" Neil Young

When I woke up you were gone
And the sun was on the lawn
Empty pillow with perfume on
I smelled it.

Well, we met in my favorite bar
Took a ride in my old car
But I still don't know how
We made it home.

Was I too far gone
Too far gone
Too far gone
For you.

We had drugs and we had booze
But we still had something to lose
And by dawn I wanted
To marry you.

With our attitudes by day
And our secret dreams by night
Can we really live our lives
That way.

Am I too far gone
Too far gone
Too far gone
For you.

Was I too far gone
Too far gone
Too far gone
For you.

"Birds"

Neil Young

Lover, there will be another one
Who'll hover over you beneath the sun
Tomorrow see the things that never come today

When you see me fly away without you
Shadow on the things you know
Feathers fall around you
And show you the way to go
It's over, it's over.

Nestled in your wings my little one
This special morning brings another sun
Tomorrow see the things
that never come today

When you see me Fly away without you
Shadow on the things you know
Feathers fall around you
And show you the way to go
It's over, it's over.

Tell me why

Neil Young

Sailing heart-ships thru broken harbors
Out on the waves in the night
Still the searcher must ride the dark horse
Racing alone in his fright.
Tell me why, tell me why

Is it hard to make arrangements with yourself,
When your old enough to repay but young enough to sell?

Tell me lies later, come and see me
I'll be around for a while.
I am lonely but you can free me
All in the way that you smile
Tell me why, tell me why

Is it hard to make arrangements with yourself,
When your old enough to repay but young enough to sell?

Tell me why, tell me why
Tell me why, tell me why

I can really see the Milky Way tonight
From the furthest edge of memory out of sight
Will the sky begin to fall
No one knows at all, no one knows

I can almost hear the echoes of the past
From the voices of the years gone by so fast
I'm using all my might to try and find the light
In the Milky Way tonight

It seems our hopes and dreams
Were a million miles away
The world's not what it seems
And it's changing every, changing every day

It seems our hopes and dreams
Are a million miles away
The world's not what it seems
And it's changing every, changing every day

I could swear I heard a whisper on the wind
Telling me again what might have been
In the fading firelight I can see your face so bright
In the Milky Way tonight In the Milky Way tonight

I can almost see the Milky Way tonight

"See The Sky About To Rain"

Neil Young

See the sky about to rain,
broken clouds and rain.
Locomotive, for the train,
whistle blowing through my brain.

Signals curling on an open plain,
rolling down the track again.
See the sky about to rain.

Some are bound for happiness,
some are bound for glory
Some are bound to live with less,
who can tell your story?

See the sky about to rain,
broken clouds and rain.
Locomotive, for the train,
whistle blowin' through my brain.

Signals curlin' on an open plain,
rollin' down the track again.
See the sky about to rain.

I was down in Dixie Land,
played a silver fiddle
Played it loud and then the man
broke it down the middle.
See the sky about to rain.

"Needle And The Damage Done"

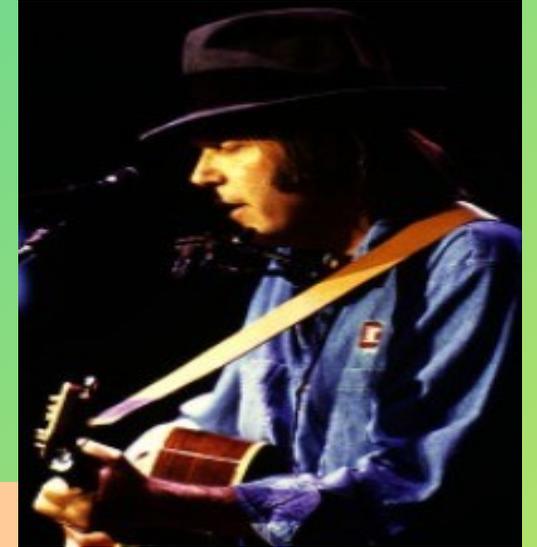

Neil Young

I caught you knockin'
at my cellar door
I love you, baby,
can I have some more
Ooh, ooh, the damage done.

I hit the city and
I lost my band
I watched the needle
take another man
Gone, gone, the damage done.

I sing the song
because I love the man
I know that some
of you don't understand
Milk-blood
to keep from running out.

I've seen the needle
and the damage done
A little part of it in everyone
But every junkie's
like a settin' sun.

"Child's Claim To Fame"

Well there goes another day
Now I wonder why
You and I
Keep telling lies
I can't believe that what you say
'cause tomorrows lullaby
Can't passify
My lonesome crying

We'll make believe that's all you know

And to make believe is a game

A child's rein

You've changed your name

So sadly I watched the show

Sin watched you become

Truth is the shame

Yeah, too much pain

The Boxer

I am just a poor boy
Though my story's seldom told
I have squandered my resistance
For a pocket full of mumbles such are promises
All lies and jests
Still a man hears what he wants to hear
And disregards the rest

When I left my home and my family
I was no more than a boy
In the company of strangers
In the quiet of the railway station running scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Looking for the places only they would know

Lie la lie ...

Asking only workman's wages
I come looking for a job
But I get no offers,

Just a come-on from the whores on Seventh Avenue
I do declare, there were times when I was so lonesome
I took some comfort there

Lie la lie ...

Then I'm laying out my winter clothes
And wishing I was gone
Going home
Where the New York City winters aren't bleeding me
Bleeding me, going home

In the clearing stands a boxer
And a fighter by his trade
And he carries the reminders
Of ev'ry glove that layed him down
Or cut him till he cried out
In his anger and his shame
"I am leaving, I am leaving"
But the fighter still remains

Buffalo springfield again

Used to play in a rock 'n roll band,

But they broke up

We were young and we were wild

It ate us up

Now I'm not saying who was right or wrong

Looking out on a big green lawn,

Girls and boys

Playing in the afternoon sun,

And life's a joy

I heard an old song playing on a radio

Buffalo springfield again

Like to see those guys again

And give it a shot

Maybe now we can show the world

What we got

But I'd just like to play for the fun we had

Buffalo springfield again

Buffalo springfield again

Keep on tryin'

I've been thinkin' 'bout
All the times you told me
You're so full of doubt
You just can't let it be
But I know
If you keep comin' back for more
Then I'll keep on tryin'
Keep on tryin'

And I've been drinkin' now
Just a little too much
And I don't know how
I can get in touch with you
Now there's only one thing
For me to do, that's to keep on tryin'
To get home to you

And I feel so satisfied when
I can see you smile
I want to confide in
All that is true, so I'll
Keep on tryin' I'm
Through with lyin'
Just like the sun above
I'll come shinin, trough

Oh yes I'll
Keep on tryin', I'm
Tired of cryin'
I got to find a way
To get on home to you

I've been thingin' 'bout
All the times you held me
I never heard you shout
The flow of energy was so fine
Now I think I'll lay it on the line
And keep on tryin'
To get home to you

And I feel so satisfied when
I can see you smile
I want to confide in
All that is true, so I'll
Keep on tryin' I'm
Through with lyin'
Just like the sun above
I'll come shinin, trough
Yes I will Oh yes I'll
Keep on tryin', I'm
Tired of cryin'
I got to find a way
To get on home to you

Heart Song

Who do we have here, it is a lonely man
See him stirrin' up the stars in the river with his hand
He's been waiting for the lady who is not gonna
come
Holding out a hope because you've got to have
some
They say you've got to have some
So he sits at the bar every night
'Til he forgets why he came
Says, "Give me one more one of anything at all
It all tastes the same"
And that photograph of her is the last thing he reads
She may be far away, but she never will leave
He knows she never will leave
She was the heartsong

She was the melody, the memory a lifetime-long
Without a heartsong
The part of him that you can see will still go on
But inside, the song is gone
So he sits at the bar
'Til he forgets why he came
"Give me one more one of anything
It all tastes the same"
You know, it all tastes the same
She was the heartsong
She was the melody, the memory a lifetime-long
Without a heartsong
The part of him that you can see will still go on
But inside, the song is gone

Take it Easy

Well, I'm running down the road
Tryin' to loosen my load
I've got seven women on my mind
Four that wanna own me
Two that wanna stone me
One says she's a friend of mine

Take it easy
Take it easy
Don't let the sound of your own wheels
Drive you crazy

Lighten up while you still can
Don't even try to understand
Just find a place to make your stand
And take it easy
a take it easy

Well, I'm a standing on a corner
In Winslow, Arizona
And such a fine sight to see
It's a girl, my lord
In a flatbed Ford
Slowin' down to take a look at me

Come on, baby
Don't say maybe
I gotta know if your sweet love
Is gonna save me

We may lose and we may win
Though we will never be here again
So open up, I'm climbin' in
And take it easy

Well I'm running down the road
Tryin' to loosen my load
Got a world of trouble on my mind
Lookin' for a lover
Who won't blow my cover
She's so hard to find
Take it easy
Take it easy
Don't let the sound of your own wheels
Make you crazy
Come on baby
Don't say maybe
I gotta know if your sweet love
Is gonna save me
Oh oh oh
Oh we got it easy
We ought

America

"Let us be lovers we'll marry our fortunes together"

"I've got some real estate here in my bag"

So we bought a pack of cigarettes and Mrs. Wagner pies

And we walked off to look for America

"Kathy," I said as we boarded a Greyhound in Pittsburgh

"Michigan seems like a dream to me now"

It took me four days to hitchhike from Saginaw

I've gone to look for America

Laughing on the bus

Playing games with the faces

She said the man in the gabardine suit was a spy

I said "Be careful his bowtie is really a camera"

"

Toss me a cigarette, I think there's one in my raincoat"

"We smoked the last one an hour ago"

So I looked at the scenery, she read her magazine

And the moon rose over an open field

"Kathy, I'm lost," I said, though I knew she was sleeping

I'm empty and aching and I don't know why

Counting the cars on the New Jersey Turnpike

They've all gone to look for America

All gone to look for America

All gone to look for America

The Best of my Love

Every night I'm lyin' in bed
Holdin' you close in my dreams
Thinkin' about all the things that we said
And comin' apart at the seams
We try to talk it over
But the words come out too rough
I know you were tryin'
to give me the best of your love

Beautiful faces and loud, empty places
Look at the way that we live
Wastin' our time on cheap talk and wine
Left us so little to give
That same old crowd
Was like a cold dark cloud
That we could never rise above

But here in my heart I give you the best of my love
Oh sweet darlin' you get the best of my love, oh
Sweet darlin', you get the best of
my love I'm goin' back in time
And it's a sweet dream
It was a quiet night
And I would be all right
If i could go on sleepin'
But every mornin'
I wake up and worry
What's gonna happen today
You see it your way
And I see it mine
But we both see it slippin' away

you know we always had each other baby
I guess that wasn't enough
Oh, but here in my heart
I give you the best of my love
Oh, sweet darlin'
You get the best of my love
Oh, sweet darlin'
You get the best of my love
Every night and day,
You get the best of my love
Oh, sweet darlin' you get the best of my love
Oh, sweet darlin' you get the best of my love..

"Natural Beauty"

On the roller coaster ride

That my emotions have to take me on

I heard a newborn baby cry

Through the night.

I heard a perfect echo die

Into an anonymous wall

of digital sound

Somewhere deep inside

Of my soul.

A natural beauty should be preserved

like a monument to nature

Don't start yourself too short,

my love

Or someday you might find

your soul endangered

A natural beauty should be preserved

like a monument to nature.

Went to the rodeo today

I saw the cowgirls

lined up on the fence

A brand new Chevrolet

A brand new pair of seamless pants.

We watched the moment of defeat

Played back over on the video screen

Somewhere deep inside

Of my soul.

A natural beauty should be preserved

like a monument to nature.

"Red Sun"

When the red sun sets
on the railroad town,
And the bars begin to laugh
with a happy sound,
I'll still be here
right by your side,
There'll not be anyone
in my heart but you.

And the dreams that you're having,
they won't let you down,
If you just follow on
'cause you know
where you're bound,
The well will be flowing
and the words will come fast,
When the one who is coming
arrives here at last

On the grassy hills
of the railroad town,
Where we cut through the fences
and over the crown,
Where wind was blowing
right through your hair,
I dreamt that my Momma
and Daddy were there

And the dreams that you're having,
they won't let you down,
If you just follow on
'cause you know
where you're bound,
The well will be flowing
and the words will come fast,
When the one who is coming
arrives here at last

When the red sun sets
on the railroad town,
And bars begin to laugh
with the happy sound,
I'll still be here
right by your side,
There'll not be another
in my heart but you

"Distant Camera"

The flash of a distant camera
reconnecting
thoughts and actions,
Fragments of our missing dreams,
Pieces from here and there
fall in place along the line,
Disappearing between you and me.
Life is changing everywhere I go,
New things and old both disappear.
If life is a photograph,
Fading in the mirror....
All I want is a song of love, song of
love
To sing for you.

All I need is this song of love,
To sing for you.

On the floor where daylight dances
With the ones
that missed their chances,
When they couldn't let it show,
Lies the land of sweet surrender,
Like a dream
it might have ended there,
but we didn't even know.

Now forever we will live as one,
Floating in love's atmosphere.
If love is a piece of dust,
Shining in the sun...

All I want is a song of love,
Song of love to sing for you.
All I need is this song of love,
To sing for you.

Song of love...
Song of love...

"Cowgirl In The Sand"

Hello cowgirl in the sand
Is this place at your command
Can I stay here for a while
Can I see your sweet sweet smile
Old enough now to change your name
When so many love you is it the same?
It's the woman in you that makes you want
to play this game.

Hello ruby in the dust
Has your band begun to rust
After all the sin we've had
I was hopin' that we'd turn back
Old enough now to change your name
When so many love you is it the same
It's the woman in you that makes you want
to play this game.

Neil Young

Hello woman of my dreams
This is not the way it seems
Purple words on a grey background
To be a woman and to be turned down
Old enough now to change your name
When so many love you is it the same
It's the woman in you that makes you
want to play this game.

THRASHER

Neil Young

They were hiding behind hay bales,
They were planting in the full moon
They had given all they had for something new
But the light of day was on them,
They could see the thrashers coming
And the water shone like diamonds in the dew.

And I was just getting up, hit the road before it's light
Trying to catch an hour on the sun
When I saw those thrashers rolling by,
Looking more than two lanes wide
I was feelin' like my day had just begun.

Where the eagle glides ascending
There's an ancient river bending
Down the timeless gorge of changes
Where sleeplessness awaits
I searched out my companions,
Who were lost in crystal canyons
When the aimless blade of science
Slashed the pearly gates.

It was then I knew I'd had enough,
Burned my credit card for fuel
Headed out to where the pavement turns to sand
With a one-way ticket to the land of truth
And my suitcase in my hand
How I lost my friends I still don't understand.

They had the best selection,
They were poisoned with protection
There was nothing that they needed,
Nothing left to find
They were lost in rock formations
Or became park bench mutations
On the sidewalks and in the stations
They were waiting, waiting.

So I got bored and left them there,
They were just deadweight to me
Better down the road without that load
Brings back the time when I was eight or nine
I was watchin' my mama's T.V.,
It was that great Grand Canyon rescue episode.

Where the vulture glides descending
On an asphalt highway bending
Thru libraries and museums, galaxies and stars
Down the windy halls of friendship
To the rose clipped by the bullwhip
The motel of lost companions
Waits with heated pool and bar.

But me I'm not stopping there,
Got my own row left to hoe
Just another line in the field of time
When the thrashers comes, I'll be stuck in the sun
Like the dinosaurs in shrines
But I'll know the time has come
To give what's mine.

Find the cost of freedom

Crosby,Stills,Nash and Young

Find the cost of freedom
buried in the ground

Mother Earth will swallow you
Lay your body down

Now Be thankful

Fairport Convention

When the stone is grown too cold to kneel
In crystal waters I'll be bound
Cold as stone, weary to the sounds upon the wheel

Now be thankful for good things below
Now be thankful to your maker
For the rose, the red rose blooms for all to know

When the fire is grown too fierce to breathe
In burning embers I'll be bound
Fierce as fire, weary to the sounds upon the wheel

Now be thankful for good things below
Now be thankful to your maker
For the rose, the red rose blooms for all to know

human highway

Neil Young

I come down from the misty mountain
I got lost on the human highway
Take my head refreshing fountain
Take my eyes from what they've seen.
Take my head and change my mind
How could people get so unkind.

I come down from the crooked mansion
I went lookin' for the d.j.'s daughter
Since that day I heard it mentioned
That my name is on the line.
Now, my name is on the line
How could people get so unkind.

Now, my name is on the line
How could people get so unkind.

I come down from the misty mountain
I got lost on the human highway
Take my head refreshing fountain
Take my eyes from what they've seen.
Take my head and change my mind
How could people get so unkind.

Think I'll pack it in
and buy a pick-up
Take it down to L.A.
Find a place to call my own
and try to fix up.
Start a brand new day.

The woman I'm thinking of,
she loved me all up
But I'm so down today
She's so fine, she's in my mind.
I hear her callin'.

See the lonely boy,
out on the weekend
Trying to make it pay.
Can't relate to joy,
he tries to speak and
Can't begin to say.

She got pictures on the wall,
they make me look up
From her big brass bed.
Now I'm running down the road
trying to stay up
Somewhere in her head.

The woman I'm thinking of,
she loved me all up
But I'm so down today
She's so fine she's in my mind.
I hear her callin'.

See the lonely boy,
out on the weekend
Trying to make it pay.
Can't relate to joy,
he tries to speak and
Can't begin to say.

"Desperado"

Desperado, why don't you come to your senses?
You been out ridin' fences for so long now
Oh, you're a hard one
I know that you got your reasons
These things that are pleasin' you
Can hurt you somehow

Don't you draw the queen of diamonds, boy
She'll beat you if she's able
You know the queen of hearts is always your best bet

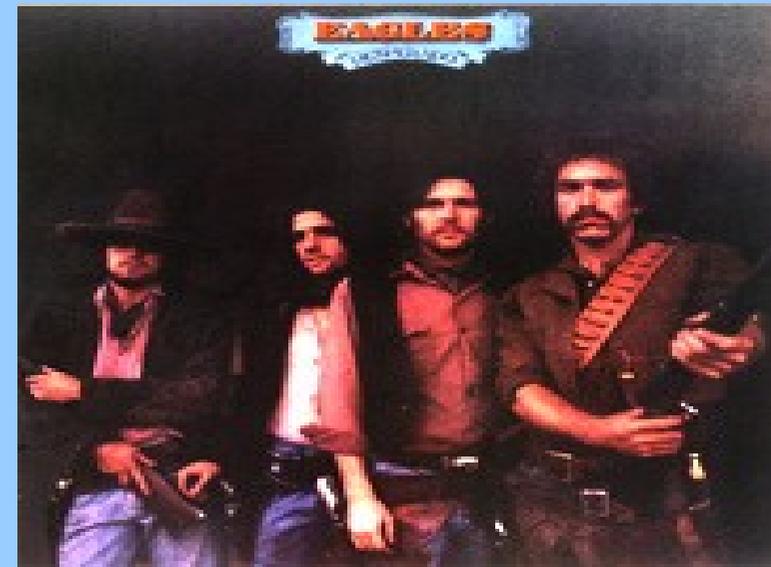

Now it seems to me, some fine things
Have been laid upon your table
But you only want the ones that you can't get

Desperado, oh, you ain't gettin' no younger
Your pain and your hunger, they're drivin' you home
And freedom, oh freedom well, that's just some people talkin'
Your prison is walking through this world all alone

Eagles

Don't your feet get cold in the winter time?
The sky won't snow and the sun won't shine
It's hard to tell the night time from the day
You're losin' all your highs and lows
Ain't it funny how the feeling goes away?

Desperado, why don't you come to your senses?
Come down from your fences, open the gate
It may be rainin', but there's a rainbow above you
You better let somebody love you, before it's too late

"Lyin' Eyes"

Eagles

City girls just seem to find out early
How to open doors with just a smile
A rich old man
And she won't have to worry
She'll dress up all in lace and go in style

Late at night a big old house gets lonely
I guess ev'ry form of refuge has its price
And it breaks her heart to think her love is
Only given to a man with hands as cold as ice

So she tells him she must go out for the evening
To comfort an old friend who's feelin' down
But he knows where she's goin' as she's leavin'
She is headed for the cheatin' side of town

You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin eyes

On the other side of town a boy is waiting
with fiery eyes and dreams no one could steal
She drives on through the nice anticipating
'Cause he makes her feel the way she used to feel

She rushes to his arms,
They fall together
She whispers that it's only for awhile
She swears that soon she'll be comin' back forever
She pulls away and leaves him with a smile

You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide you lyin' eyes

She gets up and pours herself a strong one
And stares out at the stars up in the sky
Another night, it's gonna be a long one
She draws the shade and hangs her head to cry

She wonders how it ever got this crazy
She thinks about a boy she knew in school
Did she get tired or did she just get lazy?
She's so far gone she feels just like a fool

My, oh my, you sure know how to arrange things
You set it up so well, so carefully
Ain't it funny how your new life didn't change things
You're still the same old girl you used to be

You can't hide your lyin eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin' eyes
There ain't no way to hide your lyin' eyes
Honey, you can't hide your lyin' eyes

Wasted on the way

Look around me
I can see my life before me
Running rings around the way
It used to be

I am older now
I have more than what I wanted
But I wish that I had started
Long before I did

CHORUS:

And there's so much time to make up
Everywhere you turn
Time we have wasted on the way
So much water moving
Underneath the bridge
Let the water come and carry us away

Oh when you were young
Did you question all the answers
Did you envy all the dancers
Who had all the nerve

Crosby, Stills, Nash and Young

Look round you know
You must go for what you wanted
Look at all my friends who did and got what they deserved

CHORUS

And there's so much love to make up
Everywhere you turn
Love we have wasted on the way
So much water moving
Underneath the bridge
Let the water come and carry us away
Let the water come and carry us away

Wooden Ships

Crosby, Stills, Nash and Young

If you smile at me, I will understand
'Cause that is something everybody everywhere does in
the same language.

I can see by your coat, my friend,
you're from the other side,
There's just one thing I got to know,
Can you tell me please, who won?

Say, can I have some of your purple berries?
Yes, I've been eating them for six or seven weeks
now, haven't got sick once.
Probably keep us both alive.

Wooden ships on the water, very free and easy,
Easy, you know the way it's supposed to be,
Silver people on the shoreline, let us be,
Talkin' 'bout very free and easy...

Horror grips us as we watch you die,
All we can do is echo your anguished cries,
Stare as all human feelings die,
We are leaving - you don't need us.

Go, take your sister then, by the hand,
lead her away from this foreign land,
Far away, where we might laugh again,
We are leaving - you don't need us.

And it's a fair wind, blowin' warm,
Out of the south over my shoulder,
Guess I'll set a course and go...

Helplessly Hoping

Crosby, Stills, Nash and Young

Helplessly hoping her harlequin hovers nearby
Awaiting a word
Gasping at glimpses of gentle true spirit he runs
Wishing he could fly
Only to trip at the sound of goodbye

Wordlessly watching he waits by the window and
wonders
At the empty place inside

Heartlessly helping himself to her bad dreams he
worries
Did he hear a good-bye?
Or even hello?

They are one person
They are two alone
They are three together
They are for each other

Stand by the stairway you'll see something certain to
tell you
Confusion has its cost

Love isn't lying it's loose in a lady who lingers
Saying she is lost
And choking on hello

They are one person
They are two alone
They are three together
They are for each other

"Journey Through The Past"

When the winter rains
come pourin' down
On that new home of mine,
Will you think of me
and wonder if I'm fine?
Will your restless heart
come back to mine
On a journey thru the past.
Will I still be in your eyes
and on your mind?

Now I'm going back to Canada
On a journey thru the past
And I won't be back
till February comes
I will stay with you
if you'll stay with me,
Said the fiddler to the drum,
And we'll keep good time
on a journey thru the past.

When the winter rains
come pourin' down
On that new home of mine,
Will I still be in your eyes
and on your mind?
Will I still be in your eyes
and on your mind?

Helpless

There is a town in north Ontario,
With dream comfort memory to spare,
And in my mind
I still need a place to go,
All my changes were there.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the sky,
Throwing shadows on our eyes.
Leave us
Helpless, helpless, helpless

Neil Young

Baby can you hear me now?
The chains are locked
and tied across the door,
Baby, sing with me somehow.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the sky,
Throwing shadows on our eyes.
Leave us

Helpless, helpless, helpless.

Teach Your Children

You who are on the road
Must have a code that you can live by
And so become yourself
Because the past is just a good-bye

Teach your children well
Their father's hell did slowly go by
And feed them on your dreams
The one they pick's the one you'll know by

Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

And you of tender years
Can't know the fears
That your elders grew by
And so please help
Them with your youth
They seek the truth
Before they can die

Crosby,Stills,Nash and Young

Teach your parents well
Their children's hell will slowly go by
And feed them on your dreams
The one they pick's the one you'll know by

Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

Can you hear and do you care and
Can you see we
Must be free to
Teach the children
To believe and
Make a world that
We can live in

Military Madness

Graham Nash

In an upstairs room in Blackpool
By the side of a northern sea
The army had my father
And my mother was having me
Military Madness was killing my country
Solitary Sadness comes over me

After the school was over and I moved
To the other side
I found a different country but I never
Lost my pride
Military Madness was killing the country
Solitary sadness creeps over me

And after the wars are over
And the body count is finally filed
I hope that The Man discovers
What's driving the people wild
Military madness is killing your country
So much sadness, between you and me
War, War, War, War, War, War

"Pocahontas"

Aurora borealis
The icy sky at night
Paddles cut the water
In a long and hurried flight
From the white man
to the fields of green
And the homeland
we've never seen.

They killed us in our tepee
And they cut our women down
They might have left some babies
Cryin' on the ground
But the firesticks
and the wagons come
And the night falls
on the setting sun.

They massacred the buffalo
Kitty corner from the bank
The taxis run across my feet
And my eyes have turned to blanks
In my little box
at the top of the stairs
With my Indian rug
and a pipe to share.

Neil Young

I wish I was a trapper
I would give thousand pelts
To sleep with Pocahontas
And find out how she felt
In the mornin'
on the fields of green
In the homeland
we've never seen.

And maybe Marlon Brando
Will be there by the fire
We'll sit and talk of Hollywood
And the good things there for hire
And the Astrodome
and the first tepee
Marlon Brando, Pocahontas and me
Marlon Brando, Pocahontas and me
Pocahontas.

For free

Joni Mitchel

I slept last night in a good hotel
I went shopping today for jewels
The wind rushed around the dirty town
And the children let out from their schools
I was standing on a noisy corner
Waiting for the walking green
Across the street he stood
And he played real good
On his clarinet, for free

Now me I play for fortune
And those velvet curtain calls
I've got a black limousine
And two ladies
Escorting me to the halls
And I play if you have the money
Or if you're a friend to me
But the one man band
By the quick lunch stand
He was playing real good, for free

Nobody stopped to hear him
Though he played so sweet and high
They knew he had never
Been on the TV screen
So they passed his music by
I meant to go over and ask for a song
Maybe put on a harmony
I heard his refrain
As the signal changed
He was still playing real good, for free

Hey you

Graham Nash

Hey you (looking at the moon)
waiting for the stars to give you answers,
eating in your cars and building fences,
is this what we've come to?

Hey you, wailing by the wall,
hoping it'll fall in their direction,
you're waiting for another resurrection
is this what we've come to?

Tell me how come everything appears to be hazy,
there's nothing left to see
Tell me how come everyone appears to be crazy too

Well, maybe it's me there, shaking at the gate
can I bear the weight of all you borrow
you know it never comes, so pay back tomorrow.
How come if it ain't you, this is what we've come to?

You'll never be the same

Graham Nash

You'll never be the same
without me by your side
There's no one I can blame
about my foolish pride.
As long as lifes' a grain of sand
tossing and turning in the tide,
I'll say it once again,
you'll never be the same.

You'll never be the same
without me in your eyes
I know you feel a pain
but you don't know how it lies.
I think of you from time to time
hoping I'm further down the line
I'll say it once again
you'll never be the same.
I had no one to walk with
in the rain 'til you came near
I had no one to talk with
'bout this pain I feel in here.

You'll never be the same
without me by your side
There's no one I can blame
about my foolish pride.
As long as lifes' a grain of sand
tossing and turning in the tide,
I'll say it once again,
you'll never be the same.

"Cinnamon Girl"

**I wanna live
with a cinnamon girl
I could be happy
the rest of my life
With a cinnamon girl.**

**A dreamer of pictures
I run in the night
You see us together,
chasing the moonlight,
My cinnamon girl.**

**Ten silver saxes,
a bass with a bow
The drummer relaxes
and waits between shows
For his cinnamon girl.**

Neil Young

A dreamer of pictures
I run in the night
You see us together,
chasing the moonlight,
My cinnamon girl.

Pa sent me money now
I'm gonna make it somehow
I need another chance
You see your baby loves to dance
Yeah...yeah...yeah.

"After The Goldrush"

Well, I dreamed I saw the knights
In armor coming,
Saying something about a queen.
There were peasants singing and
Drummers drumming
And the archer split the tree.
There was a fanfare blowing
To the sun
That was floating on the breeze.
Look at Mother Nature on the run
In the nineteen seventies.
Look at Mother Nature on the run
In the nineteen seventies.

I was lying in a burned out basement
With the full moon in my eyes.
I was hoping for replacement
When the sun burst thru the sky.
There was a band playing in my head
And I felt like getting high.
I was thinking about what a
Friend had said
I was hoping it was a lie.
Thinking about what a
Friend had said
I was hoping it was a lie.

Neil Young

Well, I dreamed I saw the silver
Space ships flying
In the yellow haze of the sun,
There were children crying
And colors flying
All around the chosen ones.
All in a dream, all in a dream
The loading had begun.
They were flying Mother Nature's
Silver seed to a new home in the sun.
Flying Mother Nature's
Silver seed to a new home.

"Look Out For My Love"

Neil Young

There's a lot to learn
For wastin' time
There's a heart that burns
There's an open mind.

Look out for my love,
look out for my love
Look out for my love,
look out for my love
You own it
You own it now
You own it.

There's a weight on you
But you can't feel it
Livin' like I do
It's hard for you to see it.

Was I hurt too bad
Can I show you daylight
How could I be sad
When I know that you might.

Look out for my love,
look out for my love
Look out for my love,
look out for my love.

Look out for my love
It's in your neighborhood
I know things are gonna change
But I can't say bad or good.

Silver wings of mornin'
Shinin' in the gray day
While the ice is formin'
On a lonely runway.

Hydraulic wipers pumpin'
'Til the window glistens
Somethin' sayin' somethin'
No one seems to listen.

Men with walkie-talkies
Men with flashlights wavin'
Up upon the tower
Time reads daylight savings.

I'm home again to you babe
You know it makes me wonder
Sittin' in the quiet slipstream
In the thunder.

Look out for my love,
look out for my love
Look out for my love,
look out for my love.

Suite, Judy Blue Eys

C,S,N & Y

It's getting to the point
Where I'm no fun anymore
I am sorry
Sometimes it hurts so badly
I must cry out loud
I am lonely
I am yours, you are mine
You are what you are
And you make it hard.

Remember what we've said and done and felt
About each other
Oh babe, have mercy
Don't let the past remind us of what we are not now
I am not dreaming.
I am yours, you are mine
You are what you are
You make it hard.

Tearing yourself away from me now
You are free and I am crying
This does not mean I don't love you
I do, that's forever,
Yes and for always
I am yours, you are mine
You are what you are
You make it hard.

Something inside is telling me that
I've got your secret.
Are you still listening?
Fear is the lock, and laughter the key to your heart
And I love you.
I am yours, you are mine, you are what you are
You make it hard
And you make it hard (x 3).

Friday evening, Sunday in the afternoon
What have you got to lose?
Tuesday morning, please be gone I'm tired of you.
What have you got to lose?
Can I tell it like it is? (Help me I'm suffering)
Listen to me baby.
It's my heart that's a suffering (Help me I'm dying)
It's a dying, that's what I have to lose
I've got an answer
I'm going to fly away
What have I got to lose?
Will you come see me Thursdays and Saturdays?
What have you got to lose?

Chestnut brown canary
Ruby throated sparrow
Sing the song don't be long
Thrill me to the marrow.

Voices of the angels, ring around the moonlight
Asking me, said she so free
How can you catch the sparrow?

¡Que linda!

Me la traiga a Cuba

La reina de la Mar Caribe

Quiero sólo visitarla allí

Y que triste que no puedo. ¡Vaya!

O Va! O Va!

"Ol' 55"

Well, my time went to quickly
I went lickety-splitly out to my old fifty-five
As I pulled away slowly, feelin' so holy,
God knows I was feelin' alive
And now the sun's comin' up
I'm ridin' with Lady Luck
Freeway cars and trucks
Stars beginning to fade, and I lead the parade
Just a wishin' I'd stayed a little longer
Lord, don't you know the feelin's gettin' stronger

Six in the morning, gave me no warnin'
I had to be on my way
Now the cars are all passin' me,
Trucks are all flashin' me
I'm headed home from your place

And now the sun's comin' up
I'm ridin' with Lady Luck
